FROM THE DESK OF PRESIDENT

The institute which got established less than seven year back first within Gujarat Technological University is fast developing into one of the finest management and information Technology in Gujarat. The pedagogy at The Mandvi Education Society Institute of Business Management & Computer Science has been focusing on developing managers who prove to be a right fit in the fast changing business environment.

The institute is having an interface with the corporate world since its inception; students are proud inheritors of a rich legacy. The participants are provided with sample opportunities to understand the dynamics of various business paradigms through a mix of case studies, role plays, syndicate discussions, live projects, excel based exercises, industrial visits, Summer Internships, etc.

I invite the industry captains to visit the campus for selecting the best talent available from the Class of 2017 to be part of the human resource inventory of their respective organizations.

Regards,
Dr. Vasudev N. Jokhakar
President, TMES

FROM THE DESK OF SECRETARY

The Mandvi Education Society Institute of Business Management & Computer Studies has been a crucial platform in career building of thousands of students. Reputed for its high standards in Management Education, the college is continuously attracting most of the major recruiters in its placement drive. This connect adds a very different bond between students, colleges and industries. We are becoming a global economic power to reckon with; we are becoming productivity conscious,

quality conscious and Service oriented. Today we can feel that many in our country are trying to have a mind-set of “excellence”.

“Excellence and Development” had always been the motto of The Mandvi Education Society Institute of Business Management & Computer Studies, which creates a “win-win” situation for all.

The student centric academic structure aims at overall development of the students and also in developing outstanding professional skills. The co-curricular and extra-curricular activities develop versatile managers who actively contribute a lot in their professional and social life.

Regards,
Mr. Nalinbhai D. Shah
Secretary, TMES

DIRECTOR'S MESSAGE

It gives me immense pleasure to present our students of The Mandvi Education Society Institute of Business Management & Computer Studies for final placements. At The Mandvi Education Society, we transform our students into thought leaders to take up challenges of the corporate world. We lay focus on the blend of academic rigor and practical ability to prepare our students for a successful corporate career.

The knowledge, skills and attitudes needed for a dynamic organization have in itself become dynamic. This changing paradigm has enlivened The Mandvi Education Society to foster a new class of professionals to manage the emerging needs of the corporate world. Like all growing organizations, corporates have ever-increasing expectations and employees must have the right attitude and skills to survive and sustain their competitive advantage.

**Thanking You,
Dr. Hrudanand N. Misra
